Dear Sir/Madam

Bulb Energy Limited - In Special Administration (“the Company”) Company Number: 08469555

We hereby refer to our notice dated 26 August 2022 (the “**Notice**”). We adopt the terms defined in the Notice.

By way of update, we filed an application with the Court on 12 September 2022, seeking an order that the unpaid pre-energy supply company administration costs incurred by the Energy Administrators of the Company, before the Company entered into the Esc Administration, but with a view to its doing so, be approved for payment as an expense of the Esc Administration (the “**Unpaid Pre-Administration Costs Application**”).

As indicated in the Notice, the Unpaid Pre-Administration Costs Application included a request that the Court determine the application on the papers (i.e., without a Court hearing).

On 18 October 2022, the Court confirmed that the Unpaid Pre-Administration Costs Application had been listed for a Court hearing on 10 November 2022 (starting at 2pm) with the Energy Administrators’ connected application to fix their remuneration (see our notice dated 13 October 2022 with reference: BULBE0001I/JB/ASB/TEM/ADM_).

Please contact Arjan Beghal (bulb@teneo.com) should you have any queries regarding any of the above matters. The Energy Administrators will publish a further update on the outcome of the application in due course.

Yours faithfully
For and on behalf of Bulb Energy Limited

Matthew James Cowlshaw
